

CONCAST

Fibercrete®

PRECISELY ENGINEERED HIGH STRENGTH CONCRETE

Need to Replace Broken Pads?

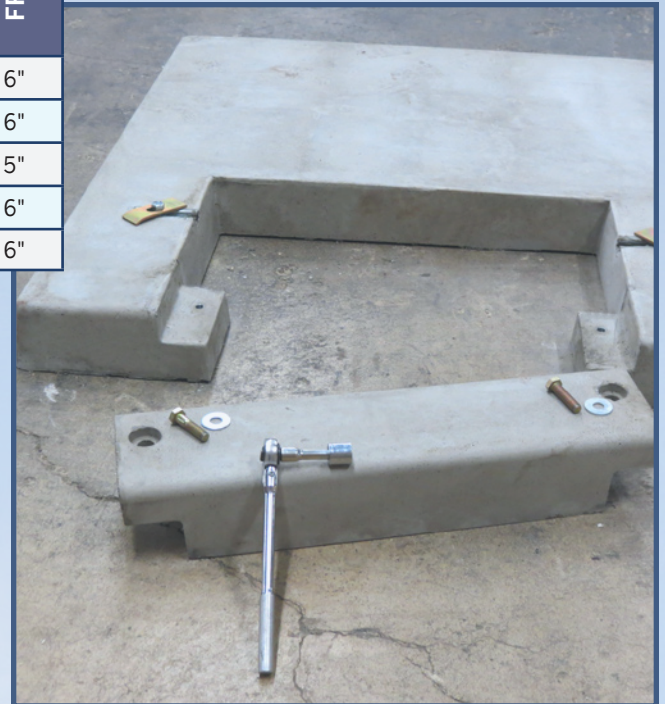

SPLIT PADS

Overview

Product Description

Fibercrete® split flat pads are ideal for instances where an existing pad is damaged and needs to be replaced. Concast's split pad design features two pad pieces with connecting hardware as shown.

| CONCAST PART NUMBERS FOR FC SPLIT PADS | PAD LENGTH "L" | PAD WIDTH "W" | PAD HEIGHT "H" | PAD OPENING "LL X WW" | FRONT OFFSET |
|--|----------------|---------------|----------------|-----------------------|--------------|
| FP-30-30-3-1016(6)-SPL | 30" | 30" | 3" | 10 x 16 | 6" |
| FP-40-40-3.5-1225(6)-SPL | 40" | 40" | 3.5" | 12 X 25 | 6" |
| FP-42-42-4-1326(5)-SPL | 42" | 42" | 4" | 13 X 26 | 5" |
| FP-42-45-4-2012(6)-SPL | 45" | 42" | 4" | 12 X 20 | 6" |
| FP-42-48-4-2612(6)-SPL | 48" | 42" | 4" | 12 X 26 | 6" |
